

**Warrenton Pregnancy Center remains open.**  
**Please continue to reach out to us for the very best free & confidential care.**

- *We do not offer COVID-19 testing*
- *If you have a fever, cough or shortness of breath call your health provider first!*

We are committed to providing the highest quality care and ensuring the safety of our clients, employees, providers, volunteers and visitors. We are continuing to monitor the evolving situation with the coronavirus (COVID-19) and are taking the necessary steps to ensure we are fully prepared to care for clients, in accordance with guidance from the Centers for Disease Control and Prevention (CDC) and in partnership with our local and state health departments.
